

TO OUR PATIENTS

FINANCIAL POLICY

We realize that every patient's financial situation is different. For this reason, we offer a variety of payment options. Payment for all services is due at the time of treatment. We accept cash, personal check and a number of major credit cards.

PATIENTS WITH DENTAL INSURANCE

Because your insurance is an agreement between you and your insurance company, all patients are directly responsible for all fees. All co-payments will be due at the time of service.

We will accept assignment for your insurance company to pay us. We will promptly file the forms necessary to see that you receive the full benefits of your coverage, however, we cannot guarantee any estimated coverage. If for some reason your insurance company has not paid their portion within 30 days of our filing the claim, you will be immediately responsible for payment of the balance in full.

Please familiarize yourself with the dental coverage you have and please understand that we have no control over what is or is not covered.

Please feel free to discuss any questions regarding this financial policy with our Financial Coordinator.
